

	EVERPRAISE TECHNOLOGIES LIMITED		
	QUALITY POLICY		
Document ID: QMS-QUP-01	Date: 16 th December, 2024	Revision No.: 07	

EVERPRAISE TECHNOLOGIES LIMITED is committed to providing quality products and services that meet customers, statutory and applicable regulatory requirements; to deliver them on time and at a fair cost. The company is committed to enhancing customer satisfaction through the effective application of the Quality Management System, and continual improvement of the effectiveness of the system and processes.

This is achieved through:

- An efficient management system.
- Highly competent personnel with clear lines of responsibility.
- Setting clear and measurable quality objectives and goals for continuous improvement.
- Use of appropriate equipment, tools and materials.
- Use of efficient work methods, procedures and processes.
- High degree of quality control.

Our quality management System meets the requirements of ISO 9001:2015 (5th Edition) and API Spec. Q1 (10th Edition). Our Products and Servicing meet the requirements of the relevant specifications of API Spec. 5CT (11th Edition), 5B (16th Edition), 6A (21st Edition), 7-1 (2nd Edition), 7-2 (2nd Edition) and 16AR (2nd Edition).

The management of the Company is committed to this policy and strives to ensure that it is communicated, understood, implemented and maintained at all levels and functions of the organization and is periodically reviewed for continuing suitability.

Mrs Nsikan Itoro Udofia.
